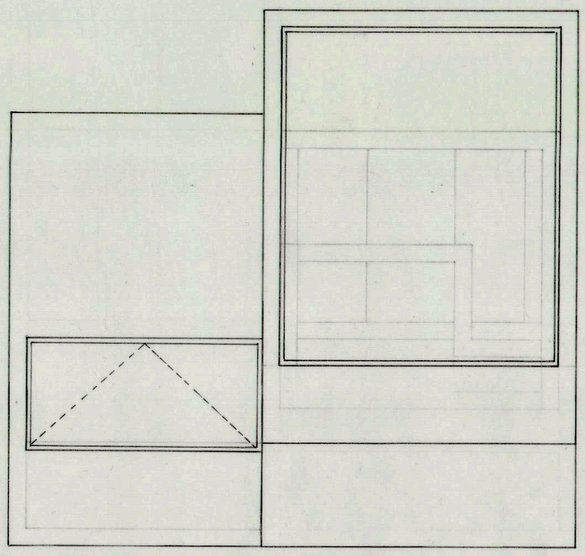
O.1 Linha e Plano

Faculdade de Arquitetura. Universidade de Lisboa
Laboratório de Projecto II. Exercício II. Protótipo
Mestrado Integrado em Arquitetura. Turma H

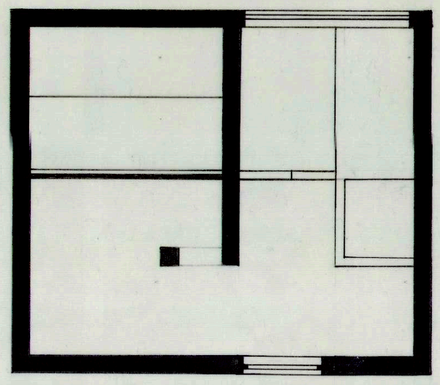
Docente: Filipa Serpa Aluno: Vitória Cruz

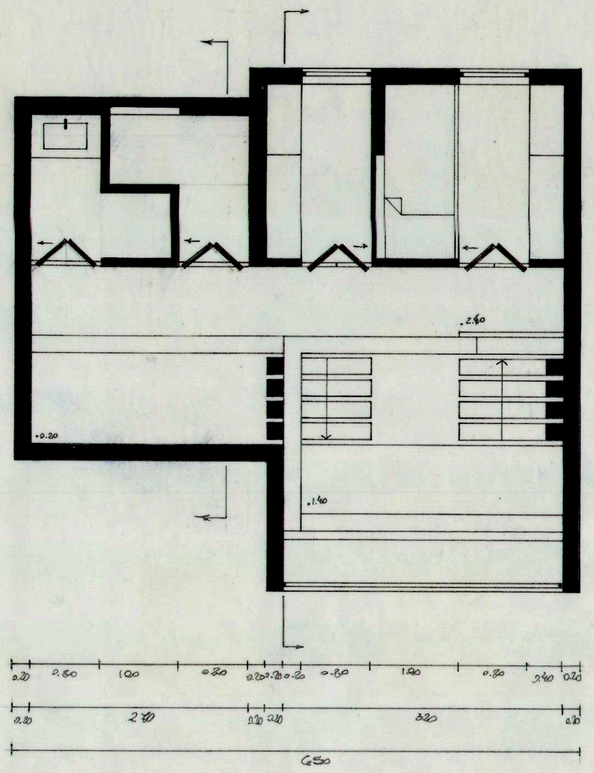
Título do projeto

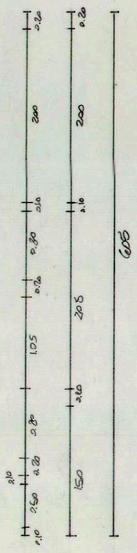
muito bem desenhado

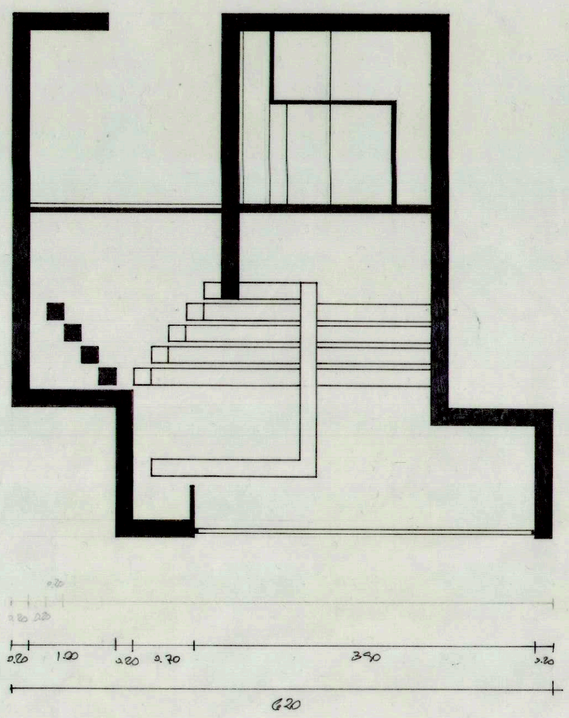


- area e volume
- legendar as peças (planta piso 0 , …)
- identificar a escala

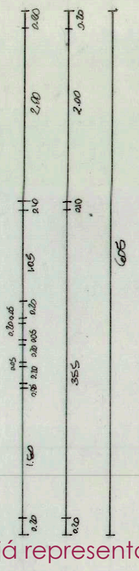


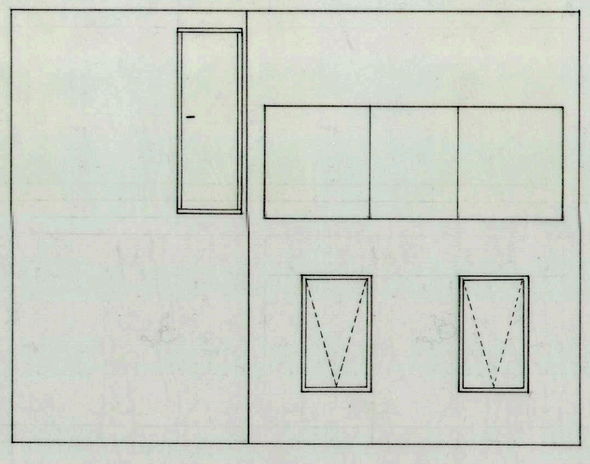






se a planta já "aparada" a cota deste nível , então já representa tudo o que há nele, nomeadamente o vão.





falta o segundo painel.
