

CALL FOR IDEAS AND DEBATE INTENDED TO THE STUDENTS OF THE FACULTY OF ARCHITECTURE OF LISBON ON THE THEME « RE-SOURCING »

On the occasion of the Forum of Cities and Juries with European representatives, held during the 18th session of its biennial competition at the Faculty of Architecture from October 16th to 18th 2025, European invites students to share their vision in response to the question:

"To you, in the face of climate change and the decline in biodiversity, what do you consider to be the levers for resourcing architectural, urban, and landscape projects?"

European invites each student to express—on a **vertical A2 panel (H59.4cm x W42cm) of 10Mo maximum**—an idea contextualized **within the natural and urban environment of Lisbon**.

The submission will be based on a text in English of at least 2,000 characters with a clear readable title, a graphic representation including references of the student's choice and/or illustrated by their own projects, as well as their first and last name, their email address and education level.

All panels submitted before Friday 10th October midnight and sent by email to the address

contact@euroman-europe.eu will be exhibited during the Forum, and each participant will receive a E17 results catalog.

A debate with the students will be organized on Thursday 16th October 2025, from 4:30 p.m. to 6:30 p.m. in "CUBO » room, moderated by 2 members of the European Scientific Council, based on the students' responses.
